JOCKEY WHEELS AND CORNER SUPPORTS

	Code	Description
	518	Load bearing capacity 150kg, o=48mm, wheel 200x50mm
	1001	Load bearing capacity 400kg, o=60mm, wheel 225x70mm.
	2796	Load bearing capacity 400kg, o=60mm, wheel 200x60mm
	8736	One corner support with stand, hexagon pattern and clamp, load bearing capacity 1300kg, lenght 535mm
	904	Load bearing capacity 150kg, inflatable, o=48mm fits clamps 10872 and 1329.
	1329	o=48mm
	1002	o=60mm
	10872	48mm diameter, 6 mounting holes, cast iron base plate
	3658	Load capacity 150kg, o = 48mm, air inflated tire (8231), includes clamp (1329).
	11560	Load bearing capacity 150kg, o=48mm, plastic hub with brake, wheel 200x50mm, includes clamp and instalation.

JOCKEY WHEELS AND CORNER SUPPORTS

	Code	Description
	3657	Load bearing capacity 150kg, o=48mm, wheel 200x50mm, includes clamp and installation.
	8231	Support wheel with brake function. Applying the brake keeps the trailer stationary on sloping ground and with the wind.
	16550	Kit includes one corner support with clamp, pipe 48x700mm, load bearing capacity 300 kg. (Add two sets to the trailer as an accessory, suitable PLH trailers).
	10487	Kit includes one corner support with clamp, pipe 48x600mm, load bearing capacity 300 kg. (Add two sets to the trailer as an accessory, suitable PLH trailers).
	6301	Kit includes one corner support with clamp, pipe 48x700mm, load bearing capacity 300 kg. (Add two sets to the trailer as an accessory).
	6300	Kit includes one corner support with clamp, pipe 48x600mm, load bearing capacity 300 kg. (Add two sets to the trailer as an accessory).
	12552-ZN	Suitable for overrun brakes KF10, KF13, KF17 and KF20.
	12332-ZN	Suitable for overrun brakes KF27 and KF35

WHEELS AND SPARE WHEELS BRACKETS

	Code	Product name	Description
 	7780	Spare wheel bracket	Fasten to the drawbar. Position of the spare wheel: horizontal. For 40-60mm pipe, h=120mm.
 	7777	Spare wheel bracket	Fasten to the drawbar. Position of the spare wheel: horizontal. For 40-60mm pipe, h=80mm.
 	7775	Spare wheel bracket	Fasten to the drawbar. Position of the spare wheel: horizontal. For 40-60mm pipe, h=60mm.
 	7779	Spare wheel bracket	Fasten to the drawbar. Position of the spare wheel: horizontal. For 40-60mm pipe, h=100mm.
 	7502	Spare wheel bracket	Fasten to the drawbar. Position of the spare wheel: vertical. For 40-60mm pipe, h=80mm.
	866	Spare wheel bracket (no wheel)	Fasten to the drawbar. Cannot be installed with a shock absorber or tilt screw.
	14803	Wheel 155R13	13" alloy wheel with M+S tire, 4x100mm, ET 30
	520	Wheel 155R13	13" wheel with M+S tire, 4x100mm, 500kg, 84N, Ø580mm
	18861	Wheel 155R13C	13" wheel with 3PMSF lamellar tire, 4x100mm, 91/89N.
	18164	Wheel 155R13C	13" alloy wheel with 3PMSF lamellar tire, 4x100, 91N.

	3397	Ratchet strap	Ratchet strap 2m, 25mm

WINCHES AND RATCHET STRAPS

	Code	Product name	Description
	1078	Ratchet strap	Ratchet strap 6m, 35mm.
	3399	Ratchet strap	Ratchet strap 5m, 25mm.
	3398	Ratchet strap	Ratchet strap 3m, 25mm
	1079	Ratchet strap	Ratchet strap, 50mm.
	16899	Synthetic winch rope	5mm x 10,7m, 2,9T
	822	Winch 800L7, belt 7.5m	For boats (with engine and gear) up to 950kg
	6968	Winch Dutton-Lainson 2500, with belt	For boats (with engine and gear) up to 1500kg
	2424	Winch Goliath 20AFDS, automatic brake, with belt	For boats (with engine and gear) up to 2500kg
	7623	Winch Goliath 25N3F, without belt	For boats (with engine and gear) up to 3000kg
	2420	Winch Goliath 9N1, with belt	For boats (with engine and gear) up to 1100kg

WINCHES AND RATCHET STRAPS

	Code	Product name	Description
	4714	Winch kit	For boat trailers, contains winch 800kg
	2458-1	Winch kit	For boat and jet trailers, contains winch 800kg
	504-ZN	Winch stand	Suitable for 60mm pipe.

OTHER ACCESSORIES

	Code	Product name	Description
	96	Adapter 13pin to 7pin	Converts trailer 13pin plug to 7pin plug
	95	Adapter 7pin to 13pin	Converts trailer 7pin plug to 13pin plug
	21352	Canister holder	Inside dimensions 548x270mm. Suitable for 60x60 pipe.
	3995	Chock	Black plastic, fits Chock holder 3996
	3996	Chock holder	Black plastic, fits Chock 3995
	9123	Coupling ball cover	Made of rubber
	16755	Coupling ball cover	Made of plastic
	14025	Coupling ball cover	Made of plastic, black
	11558	Coupling lock	Anti-theft protection for coupling (Manufacturer: SPP)
	8093	LED Work Lamp	9W, 12-36V

OTHER ACCESSORIES

	Code	Product name	Description
	8092	LED Work Lamp	20W, 12-36V
	10196	Motorcycle Wheel Chock	Adjustable according to wheel size. The holder can be installed temporarily or permanently.
	8090	Rear lamp LED 6017P-LEFT	5pin (tail, stop, left indicator, fog, reflector triangle) 12/24V
	8089	Rear lamp LED 6017P-RIGHT	5pin (tail, stop, right indicator, reverse, reflector triangle) 12/24V
	9348	Rear lamp LED 6060P5-LEFT	5pin (tail, stop, left indicator, fog, reflector triangle) 12V
	9349	Rear lamp LED 6060P5-RIGHT	5pin (tail, stop, right indicator, reverse, reflector triangle) 12V
	9350	Rear lamp LED 6060P6-LEFT	6pin (tail, stop, left indicator, reverse, fog, reflector triangle) 12V
	16718	Rear lamp LED 6060P6-LEFT	6pin, with smart resistor (tail, stop, left indicator, reverse, fog, reflector triangle) 12V
	9351	Rear lamp LED 6060P6-RIGHT	6pin (tail, stop, right indicator, reverse, fog, reflector triangle) 12V
	16717	Rear lamp LED 6060P6-RIGHT	6pin, with smart resistor (tail, stop, right indicator, reverse, fog, reflector triangle) 12V

OTHER ACCESSORIES

	Code	Product name	Description
	10446	Resistor for LED lights	12V, 13pin
	18864	Soft Dock for coupling	Protects the car from scratches caused by the coupling, for trailers 2700kg and up. Orange
	8013	Soft Dock for coupling	Protects the car from scratches caused by the coupling. Black
	18871	Toolbox	700x300x300mm, black plastic, lockable (installation on the drawbar).
	8423	Toolbox	290x560x245mm, lid opens to the side.
	14973	Toolbox	500x350x300mm, black plastic, lockable (installation on the drawbar).
	14972	Toolbox	750x350x300mm, black plastic, lockable (installation on the drawbar).
	14971	Toolbox	550x250x295mm, black plastic, lockable (installation on the drawbar).
	14969	Toolbox	750x300x355mm, black plastic, lockable (installation on the drawbar).
	8188	Toolbox	290x825x285mm, lid opens to the side.

OTHER ACCESSORIES

	Code	Product name	Description
	4419	Toolbox	800 x160 x 145mm, placement on the fender, price includes installation.
	4417	Toolbox	390x160x145mm (installation on the fender).

ACCESSORIES FOR VAN TRAILERS

	Code	Product name	Description
	17002	12V battery system	Includes battery box, battery charger, battery terminals and load strap. Battery box dimensions 370x190x40mm. Battery not included.
	17433	240V electric system	Set includes external power socket, 2 x 240V sockets inside, switch board and residual current circuit breaker 40A.
	17001	240V electric system	Set includes external power socket, 2 x 240V sockets inside, switch board and residual current circuit breaker 40A.
	20737	Additional brake light	Brake light, adapter and connection cable are included.
	18411	Aluminum tread plate	For trailer with toilet. The floor is covered with an aluminum tread plate.
	18401	Aluminum tread plate	Without toilet trailer. The floor between the tracks is covered with an aluminum tread plate. Requires a product (code: 17044).

	18400	Aluminum tread plate floor	For trailer with toilet. The floor between the tracks is covered with an aluminum tread plate. Requires a product (code: 17044).
	17044	Aluminum tread plate tracks	Aluminum tread tracks to the floor. Dimensions 6000 x 375 mm.
	17003	Ceiling lighting	Requires a 12V battery system (code: 17002).

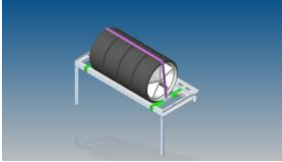

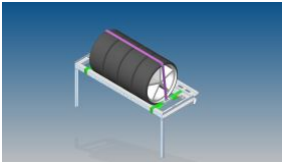

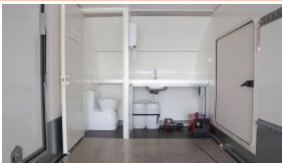

ACCESSORIES FOR VAN TRAILERS

	Code	Product name	Description
	18366	Diesel heating system	Diesel heater system at the front of the trailer. Require product 17002. Product 17002 is installed under floor storage box for trailers 18429, 18430, 18431 and 18432. On other trailers, product 17002 is installed on the floor.
	18365	Electric winch	Warn 907 kg. Required product (17002).
	17346	Front wall table	Dimensions length 2439 x width 821 x height 829.5 mm.
	17004	Front wall table	Dimensions length 2000 x width 821 x height 829.5 mm.
	18461	Inside wall protection plate	For trailer with toilet and without side hatch. Plate height 400mm.
	18460	Inside wall protection plate	For trailer without toilet and without side hatch. Plate height 400mm.
	18459	Inside wall protection plate	For trailer without toilet and without side hatch. Plate height 400mm.
	18458	Inside wall protection plate	For trailer with toilet and without side hatch. Plate height 400mm.
	18370	Inside wall protection plate	For trailer with toilet. Plate height 400mm.
	18369	Inside wall protection plate	For trailer without toilet. Plate height 400mm.

ACCESSORIES FOR VAN TRAILERS

	Code	Product name	Description
	18368	Inside wall protection plate	For trailer without toilet. Plate height 400mm.
	18355	Inside wall protection plate	For trailer with toilet. Plate height 400mm.
	21511	LED interior lighting	Suitable for all Respo van trailers. Requires a 12V battery system (code: 17002).
	17006	Mounting rails for the floor	Aluminum floor mounting rails, length 5680mm. The set includes 8 pcs (2200kg).
	18471	Mounting rails on the right side	Lower at approx. 400mm height, higher at approx. 1200mm height.
	18689	Plastic step	Plastic
	9277	Side door	Dimensions: 570x970mm, lockable. NB! This accessory can only be purchased with a new Van trailer.
	15431	Side door	Dimensions: 1180x2060mm, lockable. (suitable for sandwich vans from 3.50x1.77m internal dimensions) NB! This accessory can only be purchased with a new Van trailer.
	12398	Side door high	Dimensions: 570x1400mm, lockable. NB! This accessory can only be purchased with a new Van trailer.
	18057	Solar panel system	For 12V battery system, with maximum power 270W. Requires a 12V battery system (code: 17002).

ACCESSORIES FOR VAN TRAILERS

	Code	Product name	Description
	14468	Solar panel system	For 12V battery system, with maximum power 100W. Requires a 12V battery system (code: 17002).
	18126	Tire storage rack	With this accessory, the workbench in the front wall disappears and the accessory "Car Trailer WC" cannot be added.
	17672	Tire storage rack	With this accessory, the workbench in the front wall disappears and the accessory "Car Trailer WC" cannot be added.
	18059	Toilet room + washbasin and water system	Set includes: toilet room, toilet bowl (Dometic CTW 4110), sink system and table. Requires a 12V battery system (code: 17002).
	17507	Toilet room + washbasin and water system	Set includes: toilet room, toilet bowl (Dometic CTW 4110), sink system and table. Requires a 12V battery system (code: 17002).
	18065	Wheel stop bar	The set includes a mounting bar (2.4m). Required product (17006).
	17007	Wheel stop bar	The set includes a mounting bar (2m). Required product (17006).

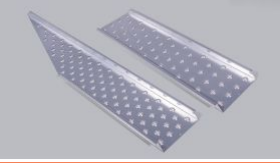

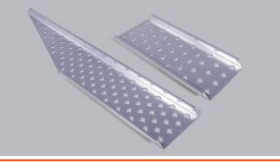

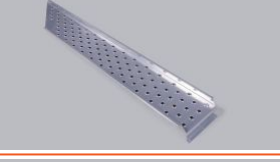

ATV TRAILER ACCESSORIES

	Code	Product name	Description
	5061-ZN	ATV side post	1 piece. Fits: ATV R-182
	12197	Hydraulic tilt kit	Fits: ATV R222
	20078	IBC container 1000L on metal pallet	Filling opening DN150, valve DN50. Suitable for product 19920.

BOAT TRAILER ACCESSORIES

	Code	Product name	Description
	8877	Bunk Boards kit	Kit includes 2 adjustable bunk boards and front support frame.
	22344	Jetski holder	2100mm
	8186	Keel roll polyurethane	L=293mm, hole 27mm
	8285	Keel roller kit	Kit includes long keel roller frame, keel roller, roller rod, splint and washers.
	8810	Keel roller kit	Kit includes short keel roller frame, keel roller, roller rod, splint and washers.
	3332	Rubber wheel v1	Dimensions: 100x35mm, D12.
	3333	Rubber wheel v2	Dimensions: 125x37.5mm, D12.
	15841	Tie down	Lashing eye for rectangular tube. Suitable for 60x40mm and 80x40mm square tube.
	2106	Tilting frame kit	Kit includes frame, 2 keel rollers, 2 roller rods, splints and washers.
	10990	Walkway	Dimensions: 180x2180mm

BOAT TRAILER ACCESSORIES

	Code	Product name	Description
	6079	Walkway	Dimensions: 230x550mm
	9081	Walkway	Dimensions: 300x2240mm
	8695	Walkway	Dimensions: 300x1740mm
	8548	Walkway	Dimensions: 300x1840mm
	8206	Walkway	Dimensions: 300x2370mm
	4598	Walkway	Dimensions: 264x558mm
	4597	Walkway	Dimensions: 361x590mm

MOBILE OFFICE / DINING / WELFARE ACCESSORIES AND SPARE PARTS

	Code	Product name	Description
	14881	Battery charger	Bosch C7 12/24V
	11055	Blank key	Uncut blank key for lock cylinder.
	10557	Ceiling light	LED lamp 2 x 36W
	10556	Ceiling light	LED lamp 2 x 18W
	10202	Chair	Plastic office chair with chrome legs
	12540	Corner profile	White corner profile made from aluminium. Dimensions 85 x 59 x 2146 mm
	19510	Door handle	Matte chrome
	9582	Door handle	Suitable for side door. Dimensions 90 x 90mm.
	11169	Door hinge	Made from stainless steel. Mounted with bolts and nuts.
	9730	Door stopper	Plastic door stopper.

MOBILE OFFICE / DINING / WELFARE ACCESSORIES AND SPARE PARTS

	Code	Product name	Description
